

Dynamite Academy of Gymnastics

Rockets Program

This program is designed to individualize a gymnastic program for every child.

The program is a unique therapeutic gymnastic program for children and young adults with autism and other developmental delays. The Rockets program incorporates sensory activities, social skills, language development, and positive reinforcement while building self-esteem, flexibility, strength, and endurance. Together with the families, we design an individual program to bring out the best in every child.

We offer 1:1, 2:1 ratios with certified instructors; we also offer shadowing with an instructor within a typical class.

We offer an evaluation with an instructor to determine what the best fit for your child. There is a \$25.00 cost paid in Cash.

Cost 1:1 \$200.00 2:1 \$170.00 (45 minute once a week 8 week Session)

1:1 \$144.00 (30 minutes once a week 8 week sessions)

\$30.00 yearly membership
