

3. RECREATIONAL CLASSES

Our classes are designed to teach each child overall fitness and self-confidence through the activity of gymnastics. We utilize the nationally recognized Fun-n-fit curriculum, designed by Jeff Lula, to assist in bringing out the best in each child.

TUMBLING/PRIVATE LESSONS

This program was designed for cheerleaders, or any child who wishes to learn to tumble, or become fit.

TRAMPOLINE

A program based on the USA gymnastics competitive level system to teach trampoline safety, basic skills, and routine development.

BIRTHDAY PARTIES

Dynamite parties are the best party around. They are age appropriate, adventurous, safe, and fun. The children bounce, run, jump, climb, slide, and play for an hour. Then they eat, sing, and open presents. The birthday child leaves happy, tired and with a new T-shirt. The best part is we clean up!! Come and book your party today.

ROCKETS PROGRAM

This is a unique therapeutic gymnastics program for children and young adults with autism and other special needs. It incorporates sensory activities, social skills, language development and positive reinforcement while building self-esteem, flexibility, endurance and overall fitness.

The Rodriguez Children

Czarina age 6 months

Dynamite Academy of Gymnastics began in January 2001 in Waterbury, CT on the philosophy of bringing gymnastics to all children. As a family owned business, we know how important every aspect of a child's life is to their development. We have worked hard to create a program that is fun, positive, and challenging to the children. At D.A.G., we believe every child is number one and we work hard with the family to help each student achieve their individual best.

How often have you said, "I would love to see my child challenged, have fun, and grow to be a successful adult?" Now you can stop talking about it and do it! We make it easy to have the adventure of a lifetime with our expert gymnastics instructors, developmentally appropriate placement, challenging and fun lesson plans, a safe environment, and a positive and fun atmosphere. Yes, as a member now you can become part of DAG and have an adventure that will enhance your child's development for a lifetime.
